## BONE & JOINT SPECIALISTS

### DISCLOSURE:

Bone and Joint Specialists is a for-profit corporation solely owned by the physicians providing medical services to the community.

### FINANCIAL POLICY:

**PAYMENT FOR MEDICAL SERVICES RENDERED IS DUE AT THE TIME OF SERVICE UNLESS PRIOR ARRANGEMENTS HAVE BEEN MADE.**

Our office does verify eligibility and benefits with your health insurance company. If we are unable to accomplish this, you will be asked to pay for services rendered until we can confirm your eligibility status. We will do all we can to assist you with your health insurance claims however, insurance is a contract between the insurance company and the insured. Final responsibility for payment of your account rests with you. Our office will bill a secondary insurance only once as a courtesy to the patient. If the insurance does not pay, then the balance becomes the responsibility of the insured.

If you are scheduled for surgery, we require any deductible's as well as coinsurance amounts paid prior to your date of surgery. In addition to the surgeon's fee, there is a need for an assistant at the time of your surgery. The assistant's fee is in addition to the surgeon's fee.

Any prior authorizations obtained by this office on behalf of you, the patient, are not a guarantee of payment, but are based on medical necessity. Claims are subject to your policy provisions and final payment is determined only when your insurance company has received the claim. If you have any questions regarding our medical fees or questions regarding your insurance benefits, please speak with a billing specialist.

A returned check charge of \$35.00 will be charged to the account for each returned check.

### DELINQUENT AND COLLECTION ACCOUNTS:

- An account becomes delinquent when the minimal monthly payment has not been received within 30 days of the statement date.
- An account that has become delinquent for 60 days, may become a collections account and may be charged a collections handling fee, court cost's and attorney's fee's.
- Exemptions from the above are allowed charges under Medicare and Title XIX (Nevada Medicaid) contracts.
- There may be exceptions to all or any part of the account.
- Balances not paid by your insurance plan within 30 days, will automatically become the responsibility of the responsible party.

I understand that Bone & Joint Specialists may not be a provider on my health plan, and I will be fully responsible for any outstanding charges that my insurance plan does not cover. A photocopy of this assignment is considered as valid as the original.

In the event that my account becomes a delinquent account or a collection account, I agree to pay Bone & Joint Specialists all incurred Finance Charges, Delinquent Account Handling Fee's, Collection Account Handling Fee's and incurred Collection cost's as set forth above in section 3 of the financial policy.

If it is necessary to forward your account to our Collection Agency, a Collection Fee markup of 35 to 50% will be added to the amount owing. Interest will accrue daily at the rate of 1.5% per month or 18% per year.

The mark-up reflects Bone & Joint Specialists receiving only it's billed charges. The additional money will go to the collection agency.

## CONTRACT FOR CONTROLLED SUBSTANCES

Controlled substance medication (narcotics-opioids, tranquilizers, barbiturates, i.e. any drug which induces sleep or stupor) can be very useful but have high potential for misuse and abuse and are, therefore, closely controlled by government agencies. Used properly, some of them can be very effective pain medication. If used excessively, however, they can cause adverse effects, such as impaired judgment, vomiting, constipation, lethargy, organ damage, or even death. To ensure these medications are used properly, I agree to the following conditions.

1. I am RESPONSIBLE for my controlled substance medication. IF THE PRESCRIPTION OR MEDICATION IS LOST, STOLEN OR MISPLACED OR IF I USE IT UP SOONER THAN PRESCRIBED, I UNDERSTAND THAT IT WILL NOT BE REPLACED.
2. I will not request or accept narcotic medications from any other physician or individual while I am receiving such medications from my doctor at Bone & Joint Specialists (except if I am in the hospital). Besides being illegal to do so (NRS 453.391), it may endanger my health.
3. **I understand that there will be a 48 hour turnaround time (business hours) for non-narcotic medication refills; therefore, I will not wait until my medication is gone to request more medication. Controlled substances may be obtained only during a scheduled office visit. Refills will not be made at night, on holidays or on weekends.**
4. I understand that if I violate ANY of the above conditions, my controlled substance medication will be **discontinued immediately**.

I am aware of "narcotic effects", including physiological effects of tolerance (need for more medication to achieve the same pain relief) and dependence (withdrawal may occur if I stop my medications abruptly) and the effects of addiction (psychological dependence), which is less common in patients with true pain. I also understand that narcotics can adversely affect my judgment in making business decisions and in operating equipment, such as automobile. I must use special care while involved in activities requiring clear thought and concentration.
